

Bylaw Revisions proposed (Membership Categories)
2009 October CPhO AGM

7.0 BYLAWS

Canadian Association of Pharmacy in Oncology

7.1 Membership:

7.1.1 Categories of Membership

Active Member

Pharmacists, pharmacy assistants/technicians or health care professionals (including academia) who support the goals and objectives of CPhO and pay fees to the Association.

- Only active members are eligible to nominate for election, vote or stand for election in the Association.
- Due to potential/perceived conflict of interest, active members working in the pharmaceutical industry shall not be eligible to nominate for election, vote, or stand for election in the Association, or serve on Association Committees.
- All committee chairs and committee members must be members in good standing of CPhO.

Corporate Member

Corporate Members are corporations who support the objectives of CPhO and pay fees to the Association. One person is to be identified as the contact to receive member communications. This individual is not eligible to vote. This individual is not eligible for the NOPS discount for registration.

Health Association/Organization Member

An unincorporated association that supports the goals and objectives of CPhO and pay fees to the Association, but does not qualify for other membership categories. (e.g. Cancer Agency, Hospital, Organizations such as CANO, CSHP etc). One person is to be identified as the contact to receive member communications. This individual is not eligible to vote. This individual is not eligible for the NOPS discount for registration.

Student Member

- Undergraduate
An undergraduate student enrolled in a school, faculty or college of pharmacy in Canada that confers academic qualifications, the completion of which is a prerequisite for practice of pharmacy in a province or territory of Canada or a student enrolled in an accredited community college pharmacy technician program
- Graduate
An individual qualified to be an active member of CPhO and is currently enrolled in graduate studies related to oncology pharmacy including: Oncology pharmacy residency, Pharm D program, or other post baccalaureate pharmacy training programs.

Bylaw Revisions proposed (Membership Categories)
2009 October CAPHO AGM

Students pay a reduced fee to the Association, receive all member communications, but are not eligible to vote.

Honorary Life Member

Honorary Life membership is an honor granted to individual oncology pharmacists to recognize outstanding, long-term (>20 years), career contributions related to the profession and CAPHO. Honorary Life members are nominated by the CAPHO Membership Committee and approved for membership by the Executive Committee. They retain all the privileges of active membership and are not required to pay fees.

When Honorary Life Membership is granted, the recipient will receive an engraved plaque from CAPHO to indicate the significance of the occasion.

7.1.2 Applications

Applications for membership shall be in a form prescribed by the Executive Committee and shall be accompanied by the prescribed fees.

7.1.3 Fees

The membership year shall commence on January 1.

Membership fees shall apply to the membership year for which they are paid. Fees of existing members shall be due on January 1 of each year, after which date a member whose fees remain unpaid shall be deemed to be in default and shall not be entitled to privileges of membership.

Changes in fees shall come into effect only after approval from the members.
