Please join us for a Lunch Symposium

IMPROVING THE MANAGEMENT OF ADVANCED NON-SMALL CELL LUNG CANCER

Sunday, May 24  11:45am - 1:15pm
Delta St. John’s Hotel and Conference Centre
St. John’s, Newfoundland
BY ATTENDING THIS SESSION YOU WILL:

- Better understand the evolution of treatment options for patients with advanced NSCLC
- Review the importance of knowing the molecular status of a patient’s disease so that you can select the most appropriate treatment
- Review the pivotal role pharmacists play in working with patients to help them manage the side effects of treatment
