Re: Position of President-Elect CAPHO

Hello fellow CAPHO Members,

My name is Philip Shaheen and I would like you to consider me for the upcoming position of CAPHO President-Elect.

I have been an oncology pharmacist at the Cape Breton Cancer Centre since late 2010 and a CAPHO member for the last 4 years.

I serve on various local and provincial cancer care groups and am currently involved in CAPHO's Communications Committee as well as the CAPHO 2020 working group.

I enjoy my current involvement in CAPHO but I have a strong passion to do even more to give back to our profession. I have a vision of CAPHO continuing to be the leading example of pharmacy specialization in Canada, and would like to be an integral part of that vision. I would be a privilege to serve you as President Elect to share that vision with you. Please review my CV and I welcome any questions that you may have. Thank you for your consideration.

Sincerely,

Philip Shaheen
