Strategic Plan 2025-2028

1 Communication and Engagement

CAPhO will support members by improving use of diverse modes of communication to increase awareness of CAPhO services and initiatives, oncology pharmacy topics and issues relevant to members. CAPhO will elevate the association and increase visibility and opportunities for members to engage with the organization.

Objective 1.1 & 1.2	Status
Host 4 annual board engagement opportunities for member input	3 meetings hosted
Publish quarterly summaries of CAPhO activities post-board meetings	✓
Maintain an online feedback form for continuous member input	In progress – part of website revamp
Establish an ongoing comprehensive event calendar that captures all CAPhO activities	✓ internal In progress – external part of website revamp

Strategic Plan 2025-2028

2 Education

CAPhO will expand and enhance education offerings tailored towards oncology pharmacy professionals at all career stages. This includes a comprehensive education schedule, with a focus on providing accredited CE's and the development of practice guidelines and resources.

Objective 2.1, 2.2 & 2.3	Status
Deliver annually • 4 webinars • 8 podcasts • 4 infographics • 1 Conference • 1 Oncology Fundamentals Day • 1 workshop (at least one offering per month, covering diverse clinical and technical topics)	**Delivered in 2025** • Webinars: 6 completed • Podcasts: 4 completed, 5 planned • Infographics: 3 completed, 1 in progress • Conference: April 3-6 • Oncology Fundamentals Day: Oct 18 • Workshops: Two (clinical and technical) April 3
Provide accredited offerings and bilingual materials where feasible	✓
Support up to 2 member-led, evidence-based projects with project management, financial support, and knowledge translation	In progress

Strategic Plan 2025-2028

CAPhO will advocate for advancing oncology pharmacy practice, patient care and health policy through association-based initiatives and empowering members with evidence-based tools, resources and professional development opportunities.

Objective 3.1 & 3.2	Status
Implement a member-informed external stakeholder strategy by end of 2026	In progress
Host a Leadership Summit by end of 2026, guided by Oncology Pharmacist Competencies and Ambulatory Oncology cpKPIs to showcase the value of oncology pharmacy	✓ Nov 7-8

Strategic Plan 2025-2028

CAPhO will create opportunities to conduct and facilitate research and knowledge translation activities that will inform and advance oncology pharmacy practice.

Objective 4.1 & 4.2	Status
Annual CAPhO Conference Abstract / Poster competition	✓
Research grants (twice/year) and publication grants (annually)	✓ with Research grant once/year
3 informal research discussions/year	• 1 completed • Next on December 4, 2025
Monthly social media research highlights	✓
Showcase member research through informal research discussions and monthly social media features	✓
Secure funding and launch a CAPhO-led research study by 2028, including strategy planning, team formation and data collection	In progress

Strategic Plan 2025-2028

5 Organizational Excellence
