Sponsored Symposium – IPSEN  
Ask the Experts – The Role of the Oncology Pharmacist within the Multi-Disciplinary Team on Optimizing Patient Experience on Oral VEGF Inhibitors (Metro East)

### Friday, April 14

#### 07:00 – 08:30

Sponsored Symposium – Servier  
Therapeutic Drug Monitoring: Its utility and application in Optimizing Asparaginase therapy in ALL (Metro East)

#### 08:45 – 10:15

Sponsored Symposium – Seagen  
Practical Approaches to Supporting Patients with New Therapies in HER2+ mBC and mUC (Frontenac)

#### 10:30 – 12:00

Sponsored Symposium – FORUS Therapeutics  
Making Sense of the Evolving Treatment Landscape in Early Relapsed and Refractory Multiple Myeloma (rrMM) (Metro East)

#### 12:15 – 13:45

Sponsored Symposium – Novartis  
Management of HR+ HER2- Advanced Breast Cancer- A Case-Based Panel Discussion for Pharmacists (Frontenac)

#### 14:00 – 15:30

Sponsored Symposium – Apobiologix  
Retention Strategies to Address the Post Pandemic Human Resource Crisis in Healthcare and Apobiologix HOPE Awards (Metro East)

#### 15:45 – 17:15

Sponsored Symposium – EMD Serono and Pfizer Canada  
UC Patient NOW: Applying a Patient-centred Approach to the Use of Maintenance Immunotherapy for the First-line Treatment of Advanced or Metastatic Urothelial Carcinoma (aUC) (Frontenac)

#### 17:30 – 19:00

Sponsored Symposium – AstraZeneca  
The Power of Oncology Pharmacists to Improve Adherence and Optimize Patient Outcomes with Oral Oncology Medications (Metro East)

#### 19:00 – 21:00

Welcome Reception – Exhibit and Poster Viewing (Metro Centre and West)

### Saturday, April 15

#### 07:00 – 08:30

Sponsored Symposium – Takeda  
Applied Artificial Intelligence in Healthcare: Implications for Clinical Pharmacists in Oncology (Frontenac)

#### 08:00 – 08:45

Breakfast Amongst the Exhibits and Posters (Metro Centre and West)

#### 08:45 – 09:00

Welcome Remarks (Metro East)

#### 09:00 – 10:30

Plenary: The Power of Maximizing Engagement and Energy to Avoid Burnout (Metro East)

#### 10:30 – 11:15

Refreshment Break Amongst the Exhibits and Posters (Metro Centre and West)

#### 11:15 – 12:00

Plenary: Current Controversies in Evaluation of Renal Function in Oncology Practice (Metro East)

#### 12:00 – 12:30

CAPhO Annual General Meeting (Metro East)

#### 12:30 – 14:00

Networking Lunch Amongst the Exhibits and Posters (Metro Centre and West)

#### 14:00 – 14:45

Plenary: Dose Banding in Oncology Practice (Metro East)

#### 14:50 – 15:30

Concurrent Session 1  
Global Pharmacy: Experience Pearls from Vancouver to Kathmandu and Places in between (Frontenac)

Innovations in Pharmacy – Implementing a Mobile Mixing Trailer to Support Pharmacy Renovations (Queen's Quay)

Precision Medicine and Fluoropyrimidine Dosing: The Evidence for Prospective DPYD Prescreening (Bay)

Everything You Need to Know about PARP Inhibitors: Place in Therapy, Clinical Pharmacology, and Pharmaceutical Care (Metro East)

#### 15:30 – 16:00

Refreshment Break Amongst the Exhibits and Posters (Metro Centre and West)

#### 16:00 – 16:40

Concurrent Session 2  
Cholangiocarcinoma – A Primer and Overview of Management (Frontenac)

Acute Myeloid Leukemia 101: A Changing Landscape for Community Pharmacists (Metro East)

Investigation and Remediation of Excursions in HD Compounding Environments (Queen's Quay)

Technician Panel: BPMH Responsibilities (Bay)

#### 17:15 – 18:00

Yoga Session (Regatta, Main Lobby Level)

#### 17:15 – 18:00

Running Group (Meet in the Hotel Lobby)

#### 19:30 – 24:00

Awards Gala and Entertainment (Metro East)

### Sunday, April 16

#### 07:00 – 08:30

Sponsored Symposium – Gilead  
Redefining the Lines of Tripe-Negative Breast Cancer (Frontenac)

#### 08:30 – 09:15

CAPhO Town Hall Breakfast Meeting (Metro East)

#### 09:15 – 09:45

CAPhO Poster Award Presentations (Metro East)

#### 09:45 – 10:30

Plenary Session: Medication Assessment by Pharmacist (MAP) Program (Metro East)

#### 10:30 – 10:45

Refreshment Break (Metro Foyer)

#### 10:45 – 11:30

Plenary Session: NIOSH categorization of HDs: ON and BC approaches (Metro East)

#### 11:30 – 12:15

Round Table Discussions (Metro Centre)

#### Round Table Discussion 1

Choose Your Adventure or Pick Your Poison: Psychedelics, Medicinal CBD, Opioid Switching, or Opioid-Induced Constipation in Palliative Care
