

INVITATION

# BRIDGING TO BETTER OUTCOMES

Empowering Oncology Pharmacists in Adjuvant CDK4/6 Inhibitor Management

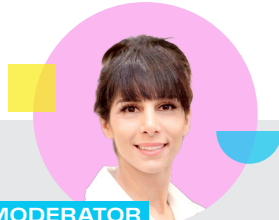

Friday, April 24, 2026

from 8:45 to 10:15 am

Breakfast will be served  
TMU Place, Salon C&D, Saskatoon, SK

Join experts as they review current evidence and guidelines in early breast cancer, develop practical strategies to manage adverse events, drug interactions, and adherence, and explore real-world models demonstrating the impact of pharmacist-led care. Attendees will leave equipped with actionable insights to strengthen their role within multidisciplinary oncology teams and optimize patient outcomes.

## PANELISTS

MODERATOR

### Christine Peragine

PhD, PharmD, BScPhm, RPh

Pharmacist Lead,  
Oral Anticancer Medication Program  
Sunnybrook Odette Cancer Centre  
Toronto, ON

### Tom McFarlane

BScPhm, PharmD, RPh, FCAPhO

Cross-appointed Oncology Pharmacist,  
Odette Cancer Centre, Sunnybrook Health  
Sciences Centre  
Kitchener/Waterloo & Toronto, ON

### Tyson Follack

PharmD, RPh, MSc, BSc(Hons)

Medical Oncology Pharmacist,  
Saskatchewan Cancer Agency  
Pharmacist Representative, CAPHO 2026  
Planning Committee  
Saskatoon, SK

## LEARNING OBJECTIVES

Identify patients appropriate for adjuvant CDK4/6 inhibitors based on recurrence risk and trial criteria.

Proactively manage CDK4/6 inhibitor-related toxicities, drug interactions, and dose modifications.

Apply pharmacist-driven interventions to support adherence and team-based care.
