

CaPHO 2026

TCU Place Saskatoon, SK

PRE-CONFERENCE EVENT

Harnessing Continuous Quality Improvement and Data-Driven Insights to Optimize Smart Infusion Pump Oncology Drug Libraries

FRIDAY, APRIL 24TH, 2026 | SALON C&D | 15:45 – 17:15 HRS

Session Description

- Understand the critical role of CQI in enhancing oncology drug libraries
- Learn how to leverage data analytics to optimize oncology libraries and improve clinical practice
- Discover best practices for implementing CQI and data-driven approaches in oncology
- Gain insights from real-world case studies and learn from the experiences of others

Learning Objectives:

- Explore a collaborative framework for drug library development
- Enhancing drug libraries through continuous quality improvement (CQI) in oncology
- Share best practices for successful application of CQI and data-driven approaches in oncology
