

Vision

CAPhO is the recognized leader of oncology pharmacy in Canada.

Mission

CAPhO is a member directed association that promotes, supports and advances oncology pharmacy practice.

Strategic Priorities

1 COMPETENCIES:

Create an evidence based inventory of the knowledge, skills, and attitudes required for the competent practice of Canadian pharmacists in an oncology focused practice setting

- Commission a task force by December 2019
- Collect information from stakeholders by December 2020
- Create an evidence based resource outlining the competencies required of pharmacists delivering professional services to Canadians with cancer by April 2021

2 EDUCATION:

Expand innovative educational opportunities in pursuit of excellence in practice

- Provide three to five online offerings to advance oncology pharmacy practice each year
- Expand research education offerings by April 2020
- Support oncology learning by providing appropriate educational opportunities in community, hospital and general pharmacy practice
- Support oncology learning by providing appropriate educational opportunities to advanced oncology pharmacy technician practice

3 ADVOCACY:

Develop an advocacy program to represent and advance the interests of members

- Promote CAPhO as the nationally recognized leader in oncology pharmacy by developing a proactive and reactive advocacy strategy by April 2020

4 VALUE:

Deliver value through continual assessment, understanding and response to members' needs

- Foster student participation in CAPhO
- Maintain a mechanism to identify and address the changing needs of our members
- Engage membership to significantly increase the number of members who actively participate in CAPhO's organized activities by November 2019

5 COMMUNICATIONS:

Engage members and advance the field of oncology pharmacy

- Establish an effective, robust, two-way interactive communication strategy by ensuring the right people receive the right message at the right time on the right platform by April 2020
